RE: Public Records Act Request (PRA No. 2019-02232)

To Whom It May Concern:

This letter is in response to your request received by the Department of Justice on September 13, 2019, requesting records under the California Public Records Act (Gov. Code, §§ 6250 et seq.). Specifically, you requested:

“All correspondence between any City of Vallejo official or employee created since August 23, 2019 regarding Vallejo Police Department, policies, patterns, practices, procedures, and/or performance, as well as any related records. In other words, we seek any followup correspondence relating to the city’s July 11 letter to DOJ, broadly construed, exclusive of the July 11 and August 23 letters already disclosed by your agency. This request includes, but is not limited to, any record related to scheduling a meeting between DOJ and city representatives, including, e.g., calendar entries or telephone message slips.”

We have concluded our search and found no records responsive to your request.

Sincerely,

/s/ Public Records Coordinator
